Leon County Solid Waste
YOUR WASTE SERVICE CENTER

SAME SERVICE. DIFFERENT HOURS.

In an effort to continue offering full waste, recycling, yard debris and household hazardous waste services, the operating hours of the service centers will change. The current hours of operation cannot be sustained through user fees alone with fewer citizens choosing to use the centers. After thoughtful analysis, the County decided to keep the service centers open one less day rather than reduce the quality of service provided.

Currently the Center is open 9 a.m. to 7 p.m. from Thursday to Sunday. But most people use the centers on Saturday and Sundays, with Friday being the busiest weekday. A majority of customers (81%) come prior to 5 p.m. on these days.

With the newly established operating hours of Friday, Saturday and Sunday 9 a.m. to 5 p.m., you can still enjoy the same level of service you have come to expect!
